

# Poulton Playing Field and Allotment Charity

(registered number 201001)

## Englands

The playing field is situated behind the village church and has views across the local landscape. The playing field provides a social amenity for the villagers in Poulton and first class facilities for the cricket and football clubs.

*Englands* is also enjoyed by those who walk their dogs, play games with their children and enjoy the views and peace of the space. The field and pavilion are looked after by a team of volunteers. There are 5 allotments behind the pavilion that can be rented for a small annual fee.

## The Pavilion

Anyone with a strong link to Poulton can hold an event in the pavilion, subject to the agreement of the Trustees, under one of the limited number of special licences granted by Cotswold District Council. For more information please email: [pfactrustees@gmail.com](mailto:pfactrustees@gmail.com)

## The Allotments

The allotments are all currently tenanted but if you'd like to join the waiting list please email: [pfactrustees@gmail.com](mailto:pfactrustees@gmail.com)

## Dogs on Englands

The Trustees are delighted that residents like to make use of this wonderful green space to exercise their dogs. Unfortunately, it appears that some owners are not clearing up after their dogs. This is disagreeable for those who maintain the grounds and other users. It is also a health hazard and is particularly unpleasant for the cricketers and footballers. As you know, it is the law and also the responsibility of all dog owners to clean up any mess their dog might leave. There is a dog bin by the main entrance gates to the field, please do pick up after your dog. If the situation does not improve the Trustees will have no option but to insist that dogs are to be on a lead at all times.

## The cricket square

Much work goes in to preparing the cricket square for matches throughout the summer (indeed the whole field is very highly rated by GlosPFA). On behalf of the groundsman could we also request that dogs and people do not walk on the square at any time.

## Any questions?

If you would like to contact the Trustees on any issue regarding *Englands*, please email the Clerk to the Trustees at: [pfactrustees@gmail.com](mailto:pfactrustees@gmail.com)

With best wishes,

The Trustees
