

Next time we collect your refuse, recycling, food waste and garden waste* all together - we'll be a day early.

As a result of the one-way traffic systems operating during the **Royal International Air Tattoo** (15-17 July) at RAF Fairford, we're making some revisions to our collection days. We're letting you know, that for this week only, your collection will change from:

Friday 15 July
to
Thursday 14 July

Please have your containers out ready for 7am as crews may get to you earlier in the day than normal. Services will return to normal on Friday 22 July.
